

**MARTYRS through the  
AGES!**

A black and white, high-contrast portrait of Martin Luther King Jr. He is looking slightly to the left of the camera with a serious expression. The image has a grainy, halftone-like texture. Overlaid on the image are two lines of yellow text. The first line is at the top, and the second line is in the lower-middle section, partially covering his mouth and chin.

I have a dream...

"Free at last! free at last! thank God  
Almighty, we are free at last!"
